

# WIN an artificial lawn with **Ruscrete** and **SF Landscape & Building!**

Say goodbye to patchy, muddy lawns that need regular mowing and say hello to soft, natural artificial grass and a beautiful lawn with year round appeal.

Ruscrete, the south's leading supplier of landscaping materials and SF Landscape & Building are delighted to offer two lucky Echo readers the chance to each win a new artificial grass lawn.

The winners will join the thousands of people who are now enjoying a low maintenance, child and pet friendly lawn.

The installation process is quick and easy and because of the UV stabiliser and special composition of the grass fibres, discolouration is not an issue. Our grass also offers a ten-year warranty against discolouration.

So, if you're tired of looking at an unsightly lawn or bland balcony and dream of sitting back and enjoying some free time enter our competition now.
